

THIRD INTERNATIONAL CONFERENCE

“Mathematical History and Cliodynamics: Theories, Models, Data”

First Announcement and Call for Papers

Conference dates: December 21-23, 2009

Conference location: Ekaterinburg, Russia

Institute of History and Archaeology (Russian Academy of Sciences, Urals Branch) is organizing in Ekaterinburg, Russia on December 21-23, 2009 the Third International Conference on “Mathematical History and Cliodynamics: Theories, Models, Data” .

The aim of the Conference is to bring together the researchers working within the fields of historical macrosociology, mathematical modeling of historical processes, statistical analysis of dynamical processes in history, historical databases, social evolution, economic history (cliometrics), historical demography, and related disciplines.

The working languages of the Conference are Russian and English.

Please send a title and an abstract of your presentation to the Organizing Committee at e-mail address given below. All abstracts received before **May 1, 2009** will be given priority consideration. Please submit the following information: full name, title, institutional affiliation, mail and e-mail addresses, and a brief abstract of the proposed presentation (500 words or less in any of the Conference working languages). The Organizing Committee will begin informing the applicants about the approved presentations after June 30, 2009.

The Conference registration fee is 150 euros (or the equivalent sum in US dollars or Russian rubles) to be paid on arrival in Ekaterinburg. The fee includes the visa application support at the Russian Foreign Ministry, culture program, Conference Book of Abstracts, reception, and coffee breaks. The fee for an accompanying person is 70 euros, which includes the visa application support at the Russian Foreign Ministry and participation in the culture program.

All the correspondence should be sent to (please copy your e-mail to both addresses):
